

Structure of a Legacy Fund for Saskatchewan Triathlon Association Corporation

Name: Legacy Fund of Excellence

STAC received an initial donation of \$20,000 from Mary's Hope Foundation.

This fund is managed by Sask Sport as the provincial manager for the National Sport Trust Fund in Saskatchewan.

Initial Focus of \$20,000 donation from Mary's Hope Foundation:

- **Post Secondary Education Bursary Component:** The fund presents \$1000 in total bursary funds each year. These funds will be awarded at the annual Awards Banquet hosted by STAC. 50% of all continuing donations will focus on these needs.
- **Out of Province Athletic Excellence Component:** 25% of the initial donations received in 2009 have been directed as a resource base for the needs of our various provincial team representatives. 50% of all continuing donations will focus on these needs.
- **Saskatchewan Triathlon Centre Component:** 50% of the initially donated funds are to be distributed in the first year to the needs and requirements of the Saskatchewan Triathlon Centre. The timely nature of these funds allow for STAC to make a quick, quantifiable difference in the programming of triathlon in our province. More information on the Saskatchewan Triathlon Centre will be coming in the New Year.

If you would like more information on the fund or would like to place a donation, contact info@triathlonsaskatchewan.org and we can forward an application. All tax receipts are distributed by the National Sport Trust Fund.
